Thanks Greg, I'd be glad to make the trip. My office is across the street from Metro Center, so it should be easy enough. Whenever you have the chance to send directions, that would be great.

Jill,

Thank you for reaching out and making the offer to come to our office for the call. We are one of the OSWER offices located in Crystal City in the Potomac Yard office complex (One Potomac Yard, 2777 Crystal Drive, Arlington, VA 22202). If you'd like to make the trek over here, we'd be glad to have you. Let me know and I'll make sure you have directions and enough time to traverse our security procedures prior to the call on Wednesday.

Best,

Greg

Sylvia, Greg, Linda, and Adam,

I'm an attorney representing the Shoshone-Bannock Tribes on issues involving the FMC site, including the independent review that we're scheduled to discuss next week. My office is only a few blocks from EPA (I'm at 13th and F), and since part of the purpose of the call/meeting next week is to introduce ourselves to each other, I thought it might be good for me to come over and meet with you in person instead of over the phone. Please let me know if you're agreeable to that arrangement and, if so, tell me which office I should come to.

Thanks, and hope to meet you all next week –

Jill

The purpose of this call is to introduce new staff from both EPA and Shoshone-Bannock Tribes who will be working on the FMC Independent Review and to discuss next steps in moving this project forward. It looks like we may have 4 time zones represented, so please make sure this invite comes through with the correct time.

12 to 1 pacific

1 to 2 mountain,

2 to 3 central

3 to 4 eastern
